

Hello!

Thank you for returning your MacBook.

Wiping your device

To make sure none of your personal information is still on the device, please visit the link or QR code on the right and follow Apple's instructions for data wiping.

Preparing the package

1. Please include the Mac and its charger + cables in the box
2. Place the return label over the existing one on the outside of the box
3. Use the brown stickers to seal the box closed

Sending the package

Please drop off the package at any USPS location, any post office. You can just use the drop box – no need to wait in line.

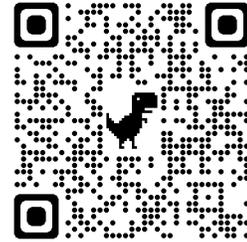

Or, you can schedule a pickup from USPS's website by visiting the link or QR code on the right.

That's it!

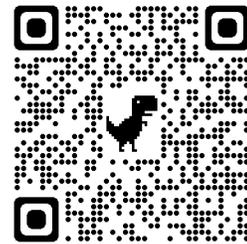

If you have any questions, please feel free to send us a text at 917-512-6427.
